Annual Report

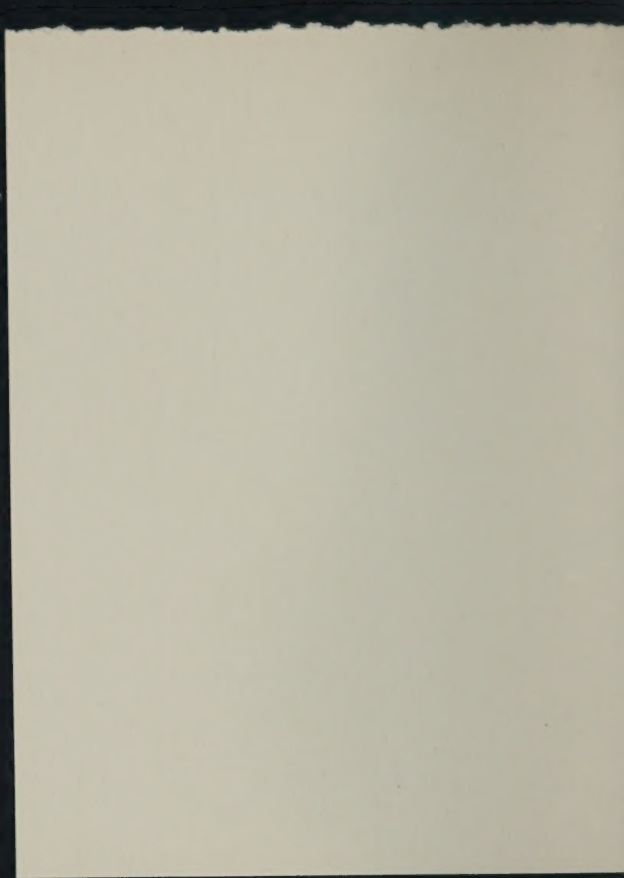

Plymouth, N.H.

1895.

NEW HAMPSHIRE
STATE LIBRARY

Helena M. Black

Annual Report

TOWN OF

Plymouth, N. H.,

Year ending, February 15, 1895.

1895:
PRINTED IN THE OFFICE OF THE PLYMOUTH RECORD,
PLYMOUTH, N. H.

WARRANT.

STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Plymouth in the County of Grafton in said State, qualified to vote in town affairs.

You are hereby notified to meet at the Town Hall in said Plymouth, on Tuesday the twelfth day of March next, at ten of the clock in the forenoon to act upon the following subjects :

1. To choose all necessary Town Officers for the year ensuing.

2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriation of the same including free text books, and supplies for the public schools and highways.

3. To raise such sums as may be necessary for repairing highways.

4. To see if the town will authorize its selectmen to borrow money to be expended in macadamizing and permanently improving its highways and to issue the bonds of the town therefore. To fix the amount, rate of interest and term of said bonds ; to see if the town will exempt the same from taxation when owned and held by any of its inhabitants. To provide a sinking fund for their payment at maturity and to choose one or more agents or commissioners under whose direction and control said money shall be expended.

5. To see what portion of the highway money the town will vote to expended upon the side walks in District No. 2.

6. To see if the town will vote to raise one thousand

dollars to be expended upon the side walks in District No. 2.

7. To see what sums of money the town will vote to raise or appropriate to pay firemen.

8. To see what sum of money the town will vote to raise or appropriate for the benefit of the Young Ladies Library Association of Plymouth, to be expended by the officers thereof for the maintainance of their public library in said town.

9. To see what sum of money the town will vote to raise or appropriate to be used in decorating soldiers graves.

10. To see if the town will vote to light with electricity Pleasant street as far as Avery street and on Avery street to Highland street.

11. To see what sum of money the town will vote to raise or appropriate for school purposes.

12. To see if the town will vote to establish a public library, elect a board of library trustees or committee and raise or appropriate money for the same.

13. To see if the town will vote to prepare a town history, choose a committee for the same and raise or appropriate money for the same.

14. To see if the town will vote to authorize the selectmen to borrow money to pay the debts of the town and give notes of the town for the same, countersigned by the Town Treasurer.

Given under our hands and seal this twenty-fifth day of February, in the year of our Lord eighteen hundred and ninety-five.

HIRAM CLARK, *Treasurer.*

ROAD AGENT'S REPORT.

The highways of the town were generally in better condition than usual after the winter frosts, and only the ordinary repairs were necessary.

An effort was made to put the roads in good condition earlier in the season than usual, and the good results secured, convinced me, that the sooner the roads are repaired, and put in good shape after the frost is out of the ground, the better they will be all summer.

It is a mistake to wait till the ground gets dry and dusty before the machine is used to round them up.

Highland street, from Highland avenue to the foot of Ward's hill, has been regraded, including sidewalks, at a cost of about \$500, with a view to macadamizing it the coming season. Russell hill and Main street, from Court street to Depot street, have been re-macadamized, the stone gutters on both sides of Russell hill have been relaid, and on north side, extending up past the Methodist parsonage, all at a cost of about \$700.

Cook Place, next to Town hall has been graded, macadamized, and gutter on north side paved with stone, at a cost of about \$100.

The hill at foot of South Main street has been partially macadamized, and should be completed as soon as possible. Five new cesspools, or sewer inlets for surface water, have been laid by the department, and several of the old ones changed to make them more serviceable.

West street, running from Highland street to Pleasant street, has been constructed three rods wide, and Pleasant street extended at a cost of about \$450, for which the

selectmen made this department an appropriation of \$400.

Heretofore the bridges have been kept in repair by the selectmen and the cost charged to general funds, but under the new law the bridges are considered a part of the highways, and must be kept in order by the Road Agents, and the costs are a charge against this department.

The amount standing to the credit of this de-

partment, Feb. 15, 1894,	\$ 86 09
Highway taxes, 1894,	3,857 39
Appropriated by selectmen to construct West street, etc.	400 00
Collected of individuals,	24 25
Appropriated by selectmen,	187 37
	<hr/>
	\$4,555 10
Expended for year,	\$4,555 10

I respectfully recommend that one-half of one per cent. be raised for highways the coming year.

Respectfully submitted,

A. M. KIDDER, *Road Agent.*

A. W. AVERY, *Superintendent of Cemeteries.*

We have examined the foregoing accounts of the Selectmen, Treasurer, Superintendent of Cemeteries, Overseer of Poor and Liquor Agent of the town of Plymouth for the year ending February 15, 1895, and find them correctly cast and properly vouched.

HENRY W. ROGERS, }
DEAN S. CURRIER, } *Auditors.*

Plymouth, N. H., Feb. 15, 1895.

REPORT OF BOARD OF HEALTH.

Since our appointment as health officers for the town of Plymouth we have attended to all complaints made to us as such officers, and so far as possible removed all causes of complaint. We wish to repeat in this report what has been in every report made by the health officers of this town for a long time, viz.: The condition of the discharge of sewerage near the Pemigewasset House, near the bed of what was formerly the river, owing to change of the current of said river, all the discharge of this sewer remains upon the surface of the ground, and in pools of stagnant water, and becomes an intolerable nuisance and most dangerous pest hole, and being located so near the hotel and depot it seems to us that the town should see that measures are taken to remedy this evil at once.

There has been reported to us three cases of scarlet fever, and two cases of typhoid fever. In each case isolation was enforced. No fatalities resulted.

The water supply has been abundant, notwithstanding the severe drought, and the quality has been good.

We congratulate the village upon its sewer system as far as it extends. It is very efficient, and removes many former causes of complaint to the health officers, but we most earnestly recommend its extension into parts of the village not yet reached so that all may share equal privileges in this direction.

M. A. FERRIN, }
T. ROGERS, } *Board of Health.*

REPORT OF FIRE COMMISSIONERS

FOR THE YEAR ENDING MARCH 1, 1895.

There has been during the past year the usual number of fire alarms, but owing to the efficient working of the Electric Fire Alarm System, prompt response of a well drilled Hose Company equipped with the latest and best appliances for extinguishing fires, and an abundant water supply, the district has been well protected and what otherwise might have proved conflagrations were extinguished before they could rightly be called fires.

The district may congratulate itself in having a perfect working Electric Fire Alarm System, put in under protest by its former commissioner, it has proved to be one of its best investments.

Your commissioners recommed increasing the number of the present Hose Company from twelve to sixteen men, a number sufficient to handle both Hose and Ladders, thereby adding largely to the efficiency of the department.

Respectfully submitted,

J. P. HUCKINS,	{	<i>Fire Commissioners.</i>
